## Overview

This research guide includes information and resources on pretrial conference. A pretrial conference is “an informal meeting at which opposing attorneys confer, usually with the judge, to work toward the disposition of the case by discussing matters of evidence and narrowing the issues that will be tried. The conference takes place shortly before trial and ordinarily results in a pretrial order.” (*Black’s Law Dictionary, 11<sup>th</sup> ed.*) The resources listed below are not exhaustive and may not include the most up-to-date information. It is for information purposes only and should not be construed as legal advice or act as the substitute for legal counsel.
