OATH OF COUNTY SUPERINTENDENT

On this 24 day of May, 1927, before me personally appeared John T. I have prepared and am trasmitting to you the consolidated rolls of said district, including in these rolls only names of children that should appear on said rolls, and I believe that the information given on these rolls, together with the information given in this summarized report is true and correct. On this 24 day of May, 192 7 before me personally appeared John T. OATH OF COUNTY SUPERINTENDENT

On this 24 day of May, 1927, before me personally appeared John T. I have prepared and am trasmitting to you the consolidated rolls of said district, including in these rolls only names of children that should appear on said rolls, and I believe that the information given on these rolls, together with the information given in this summarized report is true and correct. I have filed with the county clerk of this county a copy of the consolidated rolls of this district, together with the summaries thereof.

OATH OF COUNTY SUPERINTENDENT

On this 24 day of May, 1927, before me personally appeared John T. White, County Superintendent of Tarrant County, who after being duly sworn deposes and says: I have carefully examined the consolidated rolls for Grapevine independent district and have checked from the rolls and the summaries thereof all names which for any reason should not appear on said rolls. I have prepared and am trasmitting to you the consolidated rolls of said district, including in these rolls only names of children that should appear on said rolls, and I believe that the information given on these rolls, together with the information given in this summarized report is true and correct. I have filed with the county clerk of this county a copy of the consolidated rolls of this district, together with the summaries thereof.

John T. White

County Supt. of Tarrant Co.

Subscribed and sworn to before me this the 24 day of May, 1927.

On this 24 day of May, 192 7, before me personally appeared John T. OATH OF COUNTY SUPERINTENDENT

On this 24 day of May, 192 7, before me personally appeared John T. I have prepared and am trasmitting to you the consolidated rolls of said district, including in these rolls only names of children that should appear on said rolls, and I believe that the information given on these rolls, together with the information given in this summarized report is true and correct. I have filed with the county clerk of this county a copy of the consolidated rolls of this district, together with the summaries thereof.

I hand you herewith separate consolidated rolls for white and colored scholastics for the Masonic Home independent school district in Tarrant County for the year 192 7 and 192 8. I give below the names of all enumerators employed by this district, also the number of children enumerated by each:

After carefully checking the enumeration cards and the consolidated rolls of this district, omitting from such rolls all names which should not appear on the rolls, I find the following to be a correct summarized report by ages and sexes of the number of children that should appear on said rolls:

OATH OF COUNTY SUPERINTENDENT

On this 24 day of May, 192 7, before me personally appeared John T. White, County Superintendent of Tarrant County, who after being duly sworn deposes and says: I have carefully examined the consolidated rolls for Masonic Home independent district and have checked from the rolls and the summaries thereof all names which for any reason should not appear on said rolls. I have prepared and am trasmitting to you the consolidated rolls of said district, including in these rolls only names of children that should appear on said rolls, and I believe that the information given on these rolls, together with the information given in this summarized report is true and correct. I have filed with the county clerk of this county a copy of the consolidated rolls of this district, together with the summaries thereof.

John T. White

County Supt. of Tarrant Co.

Subscribed and sworn to before me this the 24 day of May, 192 7

County Superintendent's Summarized Report on Independent District

TO

The State Superintendent of Public Instruction

To the State Superintendent of Public Instruction,
Austin, Texas.

Dear Sir:

I hand you herewith separate consolidated rolls for white and colored scholastics for the Smithfield independent school district in Tarrant County for the year 1927 and 1928. I give below the names of all enumerators employed by this district, also the number of children enumerated by each:

After carefully checking the enumeration cards and the consolidated rolls of this district, omitting from such rolls all names which should not appear on the rolls, I find the following to be a correct summarized report by ages and sexes of the number of children that should appear on said rolls:

	WHITE		COLORED

OATH OF COUNTY SUPERINTENDENT

On this 24 day of May, 1927, before me personally appeared John T. White, County Superintendent of Tarrant County, who after being duly sworn deposes and says: I have carefully examined the consolidated rolls for Smithfield independent district and have checked from the rolls and the summaries thereof all names which for any reason should not appear on said rolls. I have prepared and am trasmitting to you the consolidated rolls of said district, including in these rolls only names of children that should appear on said rolls, and I believe that the information given on these rolls, together with the information given in this summarized report is true and correct. I have filed with the county clerk of this county a copy of the consolidated rolls of this district, together with the summaries thereof.

CERTIFICATE OF COUNTY SUPERINTENDENT

On this 24 day of May, 1927, before me, the undersigned authority, personally appeared John T. White, County Superintendent of Tarrant County, who deposes and states on oath: I have examined carefully all census rolls reported in this summary. I have instructed all census enumerators to require the enumeration cards to be signed in person by the parent, guardian, or person rendering the child; or in cases where such person could not write, to require such person to make his mark when the card was signed for him; I have, in each case, made inquiries as to whether these instructions have been carried out, and I believe that my instructions have been obeyed; I believe all information contained in these rolls is true and correct.

John T. White
County Superintendent.

Subscribed and sworn to before me this 24 day of May, 1927

Elsie Wilson
Notary Public.

Note to County Superintendent: After you have corrected and approved the rolls and the summaries of the districts of your county you can secure the information necessary to fill out this report as follows: Take the corrected summaries of your districts and use form M77 to compile your report; each line on form M77 will carry the totals for one district, and when you have secured the grand total of all districts it will correspond to the total on your consolidated roll provided your district summaries are correct.
