OATH OF COUNTY SUPERINTENDENT

On this 15 day of June, 1931, before me personally appeared John T. White, County Superintendent of Tarrant County, who after being duly sworn deposes and says: I have carefully examined the consolidated rolls for Arlington independent district and have checked from the rolls and the summaries thereof all names which for any reason should not appear on said rolls. I have prepared and am transmitting to you the consolidated rolls of said district, including in these rolls only names of children that should appear on said rolls, and I believe that the information given on these rolls, together with the information given in this summarized report is true and correct. I have filed with the county clerk of this county a copy of the consolidated rolls of this district, together with the summaries thereof.

County Superintendent's Summarized Report on Independent District
TO
The State Superintendent of Public Instruction

To the State Superintendent of Public Instruction,
Austin, Texas.

Dear Sir:

I hand you herewith separate consolidated rolls for white and colored scholastics for the Birdville independent school district in Tarrant County for the year 1931 and 1932. I give below the names of all enumerators employed by this district, also the number of children enumerated by each.

After carefully checking the enumeration cards and the consolidated rolls of this district, omitting from such rolls all names which should not appear on the rolls, I find the following to be a correct summarized report by ages and sexes of the number of children that should appear on said rolls:

	WHITE		COLORED	
	M	F	M	F
Total number of children 6 years of age	18	22		2
Total number of children 7 years of age	19	18		
Total number of children 8 years of age	23	19	1	
Total number of children 9 years of age	15	17		
Total number of children 10 years of age	15	25	1	
Total number of children 11 years of age	16	21		1
Total number of children 12 years of age	13	10		1
Total number of children 13 years of age	22	14	1	1

OATH OF COUNTY SUPERINTENDENT

On this 15 day of June, 1931, before me personally appeared John T. White, County Superintendent of Tarrant County, who after being duly sworn deposes and says: I have carefully examined the consolidated rolls for Birdville independent district and have checked from the rolls and the summaries thereof all names which for any reason should not appear on said rolls. I have prepared and am transmitting to you the consolidated rolls of said district, including in these rolls only names of children that should appear on said rolls, and I believe that the information given on these rolls, together with the information given in this summarized report is true and correct. I have filed with the county clerk of this county a copy of the consolidated rolls of this district, together with the summaries thereof.

John T. White

County Supt. of Tarrant County

Subscribed and sworn to before me this the 15 day of June, 1931.

OATH OF COUNTY SUPERINTENDENT

On this 15 day of June, 19~~32~~ 31, before me personally appeared John T. White, County Superintendent of Tarrant County, who after being duly sworn deposes and says: I have carefully examined the consolidated rolls for Euless independent district and have checked from the rolls and the summaries thereof all names which for any reason should not appear on said rolls. I have prepared and am transmitting to you the consolidated rolls of said district, including in these rolls only names of children that should appear on said rolls, and I believe that the information given on these rolls, together with the information given in this summarized report is true and correct. I have filed with the county clerk of this county a copy of the consolidated rolls of this district, together with the summaries thereof.

OATH OF COUNTY SUPERINTENDENT

On this 15 day of June, 1931, before me personally appeared John T. White, County Superintendent of Tarrant County, who after being duly sworn deposes and says: I have carefully examined the consolidated rolls for Everman independent district and have checked from the rolls and the summaries thereof all names which for any reason should not appear on said rolls. I have prepared and am transmitting to you the consolidated rolls of said district, including in these rolls only names of children that should appear on said rolls, and I believe that the information given on these rolls, together with the information given in this summarized report is true and correct. I have filed with the county clerk of this county a copy of the consolidated rolls of this district, together with the summaries thereof.

John T. White
