OATH OF COUNTY SUPERINTENDENT

On this 29 day of May 1929, before me personally appeared John T. White, County Superintendent of Tarrant County, who after being duly sworn deposes and says: I have carefully examined the consolidated rolls for Grapevine independent district and have checked from the rolls and the summaries thereof all names which for any reason should not appear on said rolls. I have prepared and am trasmitting to you the consolidated rolls of said district, including in these rolls only names of children that should appear on said rolls, and I believe that the information given on these rolls, together with the information given in this summarized report is true and correct. I have filed with the county clerk of this county a copy of the consolidated rolls of this district, together with the summaries thereof.

I hand you herewith separate consolidated rolls for white and colored scholastics for the Keller independent school district in Tarrant County for the year 1929 and 1930. I give below the names of all enumerators employed by this district, also the number of children enumerated by each:

After carefully checking the enumeration cards and the consolidated rolls of this district, omitting from such rolls all names which should not appear on the rolls, I find the following to be a correct summarized report by ages and sexes of the number of children that should appear on said rolls:

OATH OF COUNTY SUPERINTENDENT

On this 29 day of May 1929, before me personally appeared John T. I have prepared and am trasmitting to you the consolidated rolls of said district, including in these rolls only names of children that should appear on said rolls, and I believe that the information given on these rolls, together with the information given in this summarized report is true and correct. I have filed with the county clerk of this county a copy of the consolidated rolls of this district, together with the summaries thereof.

OATH OF COUNTY SUPERINTENDENT

On this 4th day of June, 1930, before me personally appeared John T. White, County Superintendent of Tarrant County, who after being duly sworn deposes and says: I have carefully examined the consolidated rolls for Everman independent district and have checked from the rolls and the summaries thereof all names which for any reason should not appear on said rolls. I have prepared and am transmitting to you the consolidated rolls of said district, including in these rolls only names of children that should appear on said rolls, and I believe that the information given on these rolls, together with the information given in this summarized report is true and correct. I have filed with the county clerk of this county a copy of the consolidated rolls of this district, together with the summaries thereof.
