OATH OF COUNTY SUPERINTENDENT

On this 15 day of June, 1931, before me personally appeared John T. White, County Superintendent of Tarrant County, who after being duly sworn deposes and says: I have carefully examined the consolidated rolls for Grapevine independent district and have checked from the rolls and the summaries thereof all names which for any reason should not appear on said rolls. I have prepared and am transmitting to you the consolidated rolls of said district, including in these rolls only names of children that should appear on said rolls, and I believe that the information given on these rolls, together with the information given in this summarized report is true and correct. I have filed with the county clerk of this county a copy of the consolidated rolls of this district, together with the summaries thereof.

OATH OF COUNTY SUPERINTENDENT

On this 15 day of June, 19 31, before me personally appeared John T. I have prepared and am transmitting to you the consolidated rolls of said district, including in these rolls only names of children that should appear on said rolls, and I believe that the information given on these rolls, together with the information given in this summarized report is true and correct. OATH OF COUNTY SUPERINTENDENT

On this 15 day of June, 1931, before me personally appeared John T. White, County Superintendent of Tarrant County, who after being duly sworn deposes and says: I have carefully examined the consolidated rolls for Mansfield independent district and have checked from the rolls and the summaries thereof all names which for any reason should not appear on said rolls. I have prepared and am transmitting to you the consolidated rolls of said district, including in these rolls only names of children that should appear on said rolls, and I believe that the information given on these rolls, together with the information given in this summarized report is true and correct. I have filed with the county clerk of this county a copy of the consolidated rolls of this district, together with the summaries thereof.

OATH OF COUNTY SUPERINTENDENT

On this 15 day of June, 19 31, before me personally appeared John T. White, County Superintendent of Tarrant County, who after being duly sworn deposes and says: I have carefully examined the consolidated rolls for Masonic Home independent district and have checked from the rolls and the summaries thereof all names which for any reason should not appear on said rolls. I have prepared and am transmitting to you the consolidated rolls of said district, including in these rolls only names of children that should appear on said rolls, and I believe that the information given on these rolls, together with the information given in this summarized report is true and correct. I have filed with the county clerk of this county a copy of the consolidated rolls of this district, together with the summaries thereof.

CERTIFICATE OF COUNTY SUPERINTENDENT

On this 15 day of June, 1931, before me, the undersigned authority, personally appeared John T. White, County Superintendent of Tarrant County, who deposes and states on oath: I have examined carefully all census rolls reported in this summary. I have instructed all census enumerators to require the enumeration cards to be signed in person by the parent, guardian, or person rendering the child; or in cases where such person could not write, to require such person to make his mark when the card was signed for him; I have, in each case, made inquiries as to whether these instructions have been carried out, and I believe that my instructions have been obeyed; I believe all information contained in these rolls is true and correct.

John T. White
County Superintendent.

Subscribed and sworn to before me this 15 day of June, 1931.

L O Nelson
Notary Public.

Note to County Superintendent: After you have corrected and approved the rolls and the summaries of the districts of your county you can secure the information necessary to fill out this report as follows: Take the corrected summaries of your districts and use form M77 to compile your report; each line on form M77 will carry the totals for one district, and when you have secured the grand total of all districts it will correspond to the total on your consolidated roll provided your district summaries are correct.
