RE: Auditor's Report - Cash Counts for the Three-Months Ending December 31, 2008

In accordance with the provisions of the <u>Local Government Code</u>, Sections 114.043, 115.003(a), and 130.902, we conducted 70 surprise cash counts, totaling \$77,915 during the three-months ending December 31, 2008, for Tarrant County fee offices that collect cash and other remittances and the Tarrant County Organized Crime Unit. Our objectives were to determine whether:

- cash and other remittances reconciled at the time of the cash count;
- change fund balances were authorized; and
- change funds were used only to make change in connection with collections payable to the County, and that the funds are not used to make loans, advances, or to cash checks or warrants of any kind.

The Auditor's Office uses a rotating quarterly cash count schedule. There were 67 authorized change funds and four cash funds located at the Tarrant County Organized Crime Unit, totaling \$80,155, as of December 31, 2008. Furthermore, there were 34 locations that accept cash and remittances without a change fund. No new cash funds were issued during our review period.

As a result of our review, five locations had cash overages or shortages of \$1 or less. Management agreed to deposit the overages and reimburse the cash shortages. In addition, no evidence existed that change funds or cash funds were used to make loans, advances, or cash checks or warrants.
