WHEREAS, Governor Greg Abbott, on or about April 27, 2020, expressed that local officials cannot require individuals to wear face masks to ensure that individual liberty is not infringed upon by government; and

WHEREAS, I, Tarrant County Judge B. Glen Whitley, on June 25, 2020, issued an executive order requiring all entities in Tarrant County, including sole proprietorships, providing goods or services directly to the public to develop and implement a health and safety policy to help stop the spread of COVID-19; and

WHEREAS, Governor Greg Abbott, on July 2, 2020, issued Executive Order GA-29 which requires individuals to wear face coverings over the nose and mouth in certain circumstances to help slow the spread of COVID-19; and

WHEREAS, it is the intent of this Executive Order to remain consistent with and to harmonize, to the extent possible, the executive orders of Governor Greg Abbott (as extended or modified); and

WHEREAS, there currently still exists a declaration of public health disaster in and for the State of Texas as declared by Governor Greg Abbott and the Texas Department of State Health Services (DSHS) and locally by the approval of the Sixth Amended Declaration of Local Disaster Due to Public Health Emergency issued and renewed by Commissioners Court action on February 23, 2021; and

WHEREAS, the transmission of COVID-19 has not significantly dissipated and remains a serious threat to the health and safety of the Tarrant County Community and additional action is necessary to decrease rates of infection and the number of people admitted to hospitals, ICU, or on ventilators; and

WHEREAS, by the authority vested in me as Tarrant County Judge to continue to protect the health and safety of the community and address developing and rapidly changing circumstances when presented by the current public health emergency, I hereby issue this Executive Order; and

WHEREAS, the Executive Order issued on June 25, 2020 ("June Executive Order") was extended by Executive Order on July 31, 2020, August 25, 2020, and November 24, 2020.

NOW THEREFORE, pursuant to Texas Government Code Chapter 418 and the Texas Disaster Act of 1975, be it **Proclaimed** and **ORDERED** that the June Executive Order is hereby again extended until **May 25, 2021**, unless extended, modified or terminated earlier by the Tarrant County Judge with regard to the following:

All entities in Tarrant County, including sole proprietorships, shall continue to enforce its Health and Safety Policy developed and implemented pursuant to the June Executive Order. Said Health and Safety Policy must require, at a minimum, that all employees and visitors to the entity's business premises wear face coverings over the nose and mouth when in an area or performing an activity which will necessarily involve close contact or proximity to co-workers or the public. The requirement of a face covering does not apply if covering the nose and mouth poses a significant mental or physical health risk to the individual. The requirement of a face covering also does not apply when an individual is consuming a food or beverage or receiving a service where the wearing of a face covering would impair the performance of the service.

The Health and Safety Policy may allow individuals with an operational need to remove a face covering so long as such operational needs are specifically addressed in the Health and Safety Policy. The Health and Safety Policy may also include the implementation of other mitigating measures designed to control and reduce the transmission of COVID-19 such as temperature checks or health screenings. Entities must continue to post the Health and Safety Policy required by the June Executive Order in a conspicuous location sufficient to provide notice to employees and visitors of all health and safety requirements. Failure to develop, implement, and continue to follow the Health and Safety Policy required by the June Executive Order may result in a fine not to exceed \$1,000 for each violation pursuant to Texas Government Code Section 418.173.

Other than the exceptions specifically provided in Governor Abbott's Executive Order GA-29, individuals in a commercial entity or other building or space open to the public, or in an outdoor public space, where social distancing of at least six feet is not feasible from another person not in the same household, are required to wear masks.

Any peace officer or other person with lawful authority is hereby authorized to enforce the provisions of this Executive Order as permitted by law.

ORDERED this the 23rd day of February 2021.

B. Glen Whitley, County Judge
