

How to Log in to Quest Diagnostics to View Coronavirus Disease 2019(COVID-19) Test Results

If you were tested for COVID-19 by Quest Diagnostics, the following instructions will help you to obtain your results online.

Where/How do I obtain my COVID-19 test results?

To access your test results, visit myquest.questdiagnostics.com. Once there, you can create an account, or, if you already have an account with Quest Diagnostics, you can simply sign in.

What information do I need to create an account?

You will need to enter the following information to create an account:

- Full name
- Date of birth
- Full address (including city, state, zip code)
- Phone number (10-digit)

What information do I need to sign into an existing account?

You will need to enter the following information to sign into an existing account: the username and password you created.

When will my results be available?

Your results will be available on the Quest Diagnostics patient portal 48 hours after your results are in.
