Filed 26 day of Jan'y 1906 Citation issued the 26 day of Jan'y 1906 Returnable to February Term, A. D. 1906, and placed in the hands of constable.

Mailed to the Sheriff of

Returned Daily Executed 30 day of Jan'y 1906

Court in session May 7, 1909. Plaintiff appeared in person and by attorney and defendant appeared by its attorneys and both parties announced ready for trial, thereupon the attorneys for the plaintiff asked their cause of action as follows: Plaintiff pleads that defendant failed to deliver to plaintiff within a reasonable time a shipment of baling wire, the plaintiff having agreed that defendant should handle the same over the defendant's road to Fort Worth, in consideration of defendant's promise and assurance that they would be so delivered and by reason of which the plaintiff lost 10c per bundle, upon one thousand (1000) bundles of said wire amounting to one hundred dollars (\$100.00).

Defendant thereupon answered by a general demurrer and a general denial, and specially - (1) That if the defendant ever received the shipment in question, it received the shipment from a connecting carrier at Pauls Valley, Okla. solely and only under its liability as a carrier at common law, and thereof promptly and within a reasonable time, transported said shipment to Ft. Worth, Texas, where the same was delivered to The Texas & Pacific Ry Co for delivery via said last named Ry to the plaintiff. (2) That if any bill of lading or written contract was issued for the shipment and transportation of said wire, that such bill of lading, among other things, expressly provided that each and every carrier engaged in the transportation of such shipment should only be liable for the loss and delay occurring on its own line, and the defendant having received such shipment at Pauls Valley, Okla. from a connecting carrier, and thereafter transported and delivered same within a reasonable time and without delay or damages to the Texas & Pacific Ry Co at Fort Worth for delivery to the plaintiff, defendant had not become and was not liable to plaintiff in any sum. Defendant praying that it be dismissed and leave judgment for its costs.

And thereafter, a jury being waived, matters of fact as well as of law being submitted to the court, and the court having heard the evidence and the argument of counsel, is of the opinion that plaintiff should recover of and from the defendant.

Wherefore, it is ordered, adjudged and decreed that the plaintiff Wm Henry and R. E. Bell Hardware Co a corporation do have and recover of and from the defendant, the sum of One hundred dollars (\$100.00) together with interest on said amount from this date and all costs of suit for all which execution may issue.

It is further ordered, adjudged and decreed that no writ may issue in favor of the officers of this court against both parties for their costs by them respectively incurred.
