Approximately 1,200 men and women supported the Cameos (Children's Aid Mental Emotional Organization) cause with dollars and the show with loud applause at the Wilshire Ebell Theatre. Fantasy was officially recognized by Los Angeles Mayor Samuel Yorty and editorially supported by newspapers, radio and TV.

FUR SHOWBENEFITS ART, BIG D

Four hundred distinguished members of Dallas society made generous contributions to the Dallas Museum League's acquisition fund at the FANTASY IN FURS presentation at the Northwood Country Club. Over 18 special stories with photographs appeared in the Dallas-Fort Worth area newspapers, and all TV stations gave color time as well. Another Mayoralty proclamation heralded a special week of fur excitement.

THE FUR INFORMATION AND FASH-ION COUNCIL LIBRARY announces that requests for its manuals, booklets and other published materials have skyrocketed during 1962.

A total of 7345 Sales Training Manuals have been distributed to stores throughout the country. 92,100 Softest Touch consumer booklets distributed to women from coast to coast.

231,200 "Three Rules for Fur Care" pamphlets requested by consumers and distributed through the FIFC office and through local retailers.

Over 5,000 letters from colleges and universities requesting authoritative materials on furs and fur manufacturing. 30,000 retail promotion portfolios provided for fur retailers from coast to coast.

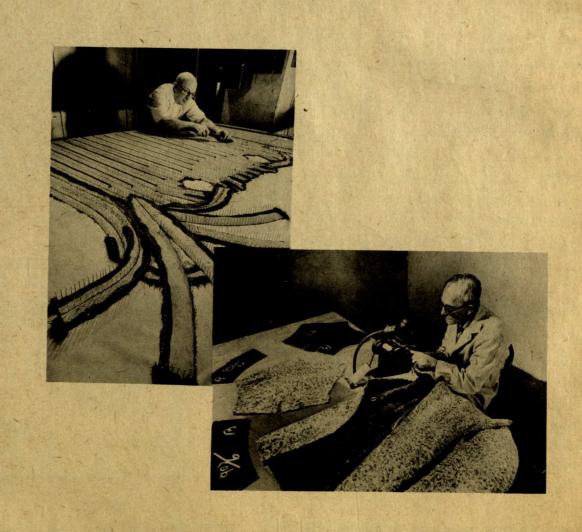

THE WIDE WONDERFUL WORLD OF FURS—a 15 minute sound color and black and white feature film describing the intricate skills of fur craftsmanship and spotlighting the newest fur designs for American women.

Over 250 television showings of this film are currently programmed for 1963.

Through Creativision Incorporated, prints of this film will be made available to retailers, libraries, women's clubs, colleges and universities, and other educational institutions throughout the U.S.

The FIFC's Film Library, through the distribution of "The Wide Wonderful World of Furs" plus the availability of 2500 feet of stock footage showing the manufacturing aspects of the fur industry, provides a film clip service now accessible to television stations and other public interest groups.

SWING HIGH

Have you got that beat? Yes, we've got that beat! Feel it in your feet? Yes, we feel it in our feet. Then come along and swing with me.

Well, you swing to the left, swing to the right.
Swing your baby with all your might.
Swing her out across the floor. She'll be coming back for more.
Then she'll say - Wait and see (Clap-Clap) Come along and swing with me.

Well, you swing her in and swing her out. Hold her close as you move about. Swing her out, just once more. Then you hold her close as you did before. Then she'll say - Wait and see (Clap-Clap) Come Along and swing with me!

Have you got that Beat? Yeah, we've got the beat. Feel it in your feet - Feel it in our feet. Got the swing - Yeah, we've got the swing. Well, dig that jive & start to sing.

Swing her fast & swing her slow. Swing her high & swing her low.

When you've got the feeling in your soul. Then you've got the beat of the rock & roll.

Then she'll say - Wait & see. Come Along and Swing with me. (3 times)

AN INDIAN PRINCESS

An Indian Princess that is me. I'm from the tribe of the Cherokee. I'm as happy as can be. I'm in love in a heap big way!

My Injun is a handsome brave. When he's near, my heart won't behave. It pounds just like an ocean wave. I'm in love in a heap big way.

I'd better never catch him with a squaw a-pitching woo.
I'm warning this Pocahontas to paddle her own canoe.

I carved his name on my teepee, so the world can plainly see.

This handsome brave belongs to me. I'm in love in a heap big way!

Soon I'm going to be his bride. We'll do the war dance side by side.

And we will raise our own little tribe, and it will be this way.

WHO KNOWS THE MEANING OF LOVE

Who knows the meaning of love? I don't do you?
Who knows the meaning of love? I wish I knew.
It's not the way that I've been told. I'm always left out in the cold.
Maybe it's cause I'm getting old at the age of seventeen.
Who knows the meaning of love? Tried to find out.
I lost the meaning of love without a doubt.

I thought the right one came along.
Then I found out I was wrong.

Now I'm singing the same old song.
Who knows the meaning of love? I don't, do you?
Who knows the meaning of love? A love that's true
I think this love is quite unfair. I have a heart I'd like to share.
But nobody ever seems to care. And I'm so all alone!

Tell me the meaning of love. I'm feeling low. Tell me the meaning of love. I want to know.

When the right one comes along, I'll know I'm right before I'm wrong.

And I won't be singing the same old song. I'll know the meaning of love.

I will , will , I wi

GONNA BUILD A FENCE

Gonna build a fence around my heart and let no love come in.
For every time I fall in love, I never win.
Gonna build this fence of solid stone. No one can tear it down.
And then I'll know my heart will be quite safe and sound.

For I have learned my lesson. What A fool I must have been.
No more tears and no more fears of a broken heart again.
With a fence of stone around my heart, there'll be no love at all.
Until I find a love that's true, this fence will never fall.

LITTLE BOY & GIRL

May we have your photograph, and on it sign your autograph? To add to our collection.
We have pinned upon our wall, got pictures by the score,
But we always ask for more.

If we had your picture, it'd be the favorite of them all.
We have pictures on the ceiling. We have pictures on the door.
And if we had our way, we'd paste pictures on the floor.

We have stacks and stacks of records. They all are Rock 'n Roll. When Mother wasn't looking, we learned to dance the Stroll.

May we have your photograph, and on it sign your autograph? To add to our collection, we have pinned upon our wall. Got pictures by the score, but we always want one more. The King of Rock 'n Roll, We would like it best of all.

REFRESHMENTS

The Fort Worth Panhellenic Association is a member of the National Panhellenic Association. The Fort Worth group maintains a student scholarship which is presented to a single girl residing in Tarrant County. A committee is set up for the purpose of selecting a recipient for the scholarship.

The Fort Worth Panhellenic Association wants every girl interested in a sorority to pledge. A recommendation from the Alumnae chapter serves to introduce the girl to the college chapter. It is well to remember that although the girl may be recommended by the Alumnae chapter, she will not automatically receive an invitation for membership from the college chapter of that group.

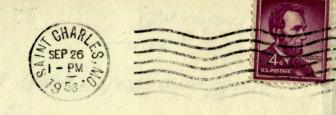

In accordance with the recommendations of the National Panhellenic Conference, the Fort Worth Panhellenic Association has abolished summer rush. There will be no parties or contacts sponsored by individual sorority alumnae groups in Fort Worth Panhellenic Association. However, there will be a Panhellenic party where girls interested in belonging to a sorority will be able to get acquainted with representatives of the groups located on the campus of their chosen school. This party will be on July 7. Invitations will be mailed at a later date. To indicate an interest a girl must complete the recommendation form or notify the President or Rush Chairman of the Fort Worth Panhellenic Association.

SONGS

Arlington Heights Senior High School

ALMA MATER:

There's a feeling good and true, and it's from our hearts to you. Hail the Gold and hail the Blue; keep our colors always true. And wherever we may roam, we will always call it home. It's the place we love the best, dear old A. H. H. S.

SPIRIT SONG

For it's the school with the spirit; it's the school with the pep. The school with the loyalty, the school with the rep; The school with the football team, say gang, watch 'em go. Fight 'em, Yellow Jackets, hit 'em high, hit 'em low! We're in there to play a game, we're in there to win. Fight to the finish, and we'll never give in; We're backing the Jackets, for the champions to be. V-I-C-T-O-R-Y spells VICTORY!

FIGHT SONG

Fight on to victory—Yea, Jackets fight on; We're out to win—We won't give in, We'll fight the whole game through. Fight on to victory—Our motto will be: Yea Jackets, fight 'em! Fight for victory!

FIGHTING YELLOW JACKETS

For we are Jackets, the fighting Jackets,
And we've got that old fight to the end—rah, rah, rah!
For we would rather stand by them ever,
The Blue and Gold that we defend.
Oh, we buzz them hard, we sting them hard,
We sting them till they yell.
We give them more, we give them more,
We give them worse than—well,
For we are Jackets, the fighting Jackets,
And we've got that old fight to the end—rah, rah!

WE'RE LOYAL TO YOU, GOLD AND BLUE

We're loyal to you, Gold and Blue.
We're steadfast and true, Gold and Blue.
We'll back you to stand against the best in the land.
'Cause we know you will win, Gold and Blue.
Go clashing ahead, Gold and Blue.
Go fighting ahead, Gold and Blue.
Our team is our fame protector. On, boys!
We all expect a victory from you, Gold and Blue.

ON YE JACKETS

On ye Jackets, On ye Jackets! Plunge right through that line! Run the ball clear 'round the line.

A touchdown sure this time, rah! rah! rah! On ye Jackets, On ye Jackets! Fight on for our fame.

Fight, fellows, fight, and we will win this game!

ALL HAIL TO THE JACKETS!

All hail to the Jackets, the Gold and the Blue.
Long may her colors fly.
Fight all ye sons and ye daughters too.
The spirit must not die.
So hail to the Jackets, the Gold and the Blue.
What care we for the rest,
For we'll do or we'll die for old Arlington Heights High,
The school that we love best!

Road Trip Incidents Sometimes Top Games

BY JORMAN KOSKI.

Incidents that happen on basket ball road trips are sometimes more memorable than the games themselves, according to some Amon Carter High School cagers.

Friday night Carter wades into its 4A-5 district basket ball schedule and that means the interesting road trips will come to an end, although they won't be forgotten.

Early in the season the basket ballers made a trip to Austin. During the ride down a slight accident occurred. The tire on Don McLaurin's car blew out.

This was not the accident.

The real catastrophe occurred when Coach Pierce Scott left his suitcase on the ground to make room for the punctured tire.

When Don turned his car around to go back into town to get the tire repaired the coach's suitcase was caught in the undercarriage of the car and completely crushed.

On the same trip an Austin sportswriter thought up new names for most of the team members.

In one of his stories he said Paul Holley's name was Bill. Others receiving new names were Jim Clark who was called Alan, Harvey Mobley called Joe Mokley and James Jackson called Ronald Jackson. The only player whose name was spelled correctly was Bill McAdams. He said his uncle owned the paper.

Jockey Piet Strobel rode all six winners at a recent day's racing in Bulawayo, Southern Rhodesia. It was the first time it ever happened there.

Musagete Show, '48 Plus 2,' Is Tomorrow

Curtain goes up at 8:15 tomorrow on the annual Musagete Follies, Will Rogers Auditorium.

This year's show, spotlighting 100 pretty girls from Paschal and Arlington Heights: High Schools, is titled "Forty Eight Plus Two." Tickets at the door are priced from \$1.25 to \$2.50.

Clever songs for the production are by George Campbell and Ralph Houp. They include "Hello to Blue Hawaii," "Girls Are Beautiful" and the rousing theme number, "Forty Eight Plus Two," referring to the additions of Alaska and Hawaii to the 48 states.

The girls work hard, they plan ahead and they are consistent in their efforts.

Through their charity work they become conscious of community problems, they help others and they learn responsibility. They take on big jobs and they carry through. They often are more responsible in discharging their obligations than older people—and they learn many things by working through the clubs for each other and for needy families and sick people. They lay a foundation for future good citizenship.

One girl in talking about the clubs last week said: "We couldn't do so much without our parents. They really are so interested and they help us but we still have to do the work. We really appreciate how attentive our parents are to our work."

Such a tribute should make other parents all the more aware that to be a helpful, guiding, understanding parent is a rare privilege. Only from their parents do young people learn how to be better grown-ups.

The social clubs among teen-

age girls in Fort Worth serve a number of purposes, the greatest of which, perhaps, is that they build character in the girls. No amount of money can buy that—but parents can influence it.

Musagettes Give **Medical Unit Check**

The Musagettes Dramatic Club | —made up of Paschal and Ar-lington Heights High School girls — presented a \$2,500 check Monday afternoon to the Radiation Center, 1425 Enderly Pl., to pay for a special treatment radiation

The table, which was installed last week, was specially made in Erlangen, Germany.

Dr. W. H. Neil, who received the check, recognizes the table as one of the most versatile in the world.

"It may be made to slope in any direction, will easily move up and down and can be con-verted into a chair," the doctor explained.

The radiation instrument is one of about six of its type in the United States.

It becomes the second in Texas, since the Baylor University College of Medicine in Houston owns an older model, Neil said.

Teen-Age Club Girls Work Hard for Others

(Pictures on Page One).

BY MARY SEARS.
Teen-age girls, who are members of a variety of social and service clubs here, do a great deal of the volunteer service and charity work that goes on within organizations in Fort Worth and even in Europe, yet unless one is a parent or friend of the girls, one may not know the amount of work they do. the vast

In six clubs with memberships of girls of high school age and in a new one so recently organ-ized it only chose a name last week, the girls do volunteer servraise money to contribute to other charities and also have pro-

grams of social events.

The girls meet weekly, have serious programs which involve fund-raising, working to help others, keeping their grades up and ring a good time. In addition, each club has representatives in an inter-club council, in which representatives of two boys' clubs, Peers and KRCS, also

Results of 'Cheat Poll' Publicized

BY LARRY LEE.
Paschal High Editor.

"Do you cheat?"

Answers to this question in a schoolwide poll conducted recently by Paschal High's school newspaper, The Pantherette, indicated that nearly 50 per cent of all Paschalites cheat.

A greater percentage agreed that cheating is wrong.

Use of "cheat sheets" and looking on a classmate's paper were the two most popular methods of cheating, according to question-aires marked by more than 1,000

"Laziness in study habits" and "pressure from parents to keep high grades" were two of the reasons students gave for cheat-

ing.

Among those defined as "cheaters" by the school survey were students who help a classmate on a test, and those who copy another's hemework

More than half of the Paschalites who answered the poll questions believed their parents cheated in school and 70 per cent said they plan to punish their children if they catch them cheating.

The majority of polled students agreed that a "zero" grade on a test would be suitable punishment

CASTLEBERRY SENIOR TOP AMATEUR

Girl Golfer One of Finest

Sunburned Sandra Palmer, a teen-age golfer from Castleberry High School, will be one of the top contenders next week in the State Women's Amateur Golf Tournament in Corpus Christi.

Sandra, who claims no family relation to Golf Pro Arnold Palmer, is looking forward to the

"I'll get out of school," she de-clared. "Just think of it."

The 18-year-old senior says she doesn't often miss school for tournaments, but this is a big one.

Since she was 13 Sandra has been swinging at golf balls, but no one took notice of her until the last three years.

In 1957 and 1958 she won the Fort Worth City Junior Cham-pionship, and this year she has made strong showings in four tournaments.

"I never can win, though," Sandra lamented.

This year she was beaten in the final match of the Fort Worth Women's City, the Women's State Public Links and the Women's West Texas tournaments.

And she was defeated only a week ago by Mrs. W. K. Stripling Jr. in the final round of the Fort Worth Country Clubs Women's Tournament.

"Golf is a frustrating game," Sandra declared. "One day I shoot in the 70s and the next in the high 80s."

Golfing experts, though, think Sandra is one of the state's most promising women golfers.

She learned to control a golf

ball by practicing every day on the Glen Garden Country Club course, near 2616 Timberline Dr., where she resides with her parents, Mr. and Mrs. James E. Warren.

"It's real handy, since No. 3 hole is just across the street," Sandra said.

Putting is her big problem, but she admits she can drive the ball pretty well. "That doesn't help your score much, though," she

Sandra says very few of her girl friends at Castleberry play golf with her. Sometimes she golfs with high school students,

but they're usually boys.

Despite her golfing achieve-

ments, Sandra says she has no plans to turn pro. "I just want to be able to go out and swing a golf club when I get 30 years old."

She'll enroll at North Texas

State College next fall and train

for a career in teaching.

Sandra says she likes the idea of a teacher's three-month vacation. "Think of the time I'll have to play golf!"

Parties and other social events are held during the year by the Musagetes, but the Follies pres-entation is the primary project.

At one point during the Saturday show, Mrs. Lucille Muth read a telegram from Pat Boone, a former Musagete performer. It

"All best wishes and congratu-lations for the outstanding work

My warmest wishes, Pat Boone.

The message was addressed to Mrs. Muth, writer, director and accompanist for the show during the last 14 years, but it was meant for all members of the Musagete organization.

"Pat always thinks to send a telegram," Mrs. Muth said. Boone co-starred at the Follies in 1954, along with Margaret Ransom

The show, under more than one name, dates back to 1940 when Mrs. Muth's late husband, Billy Muth, was organist for the presentation.

In 1941 Mrs. Muth was a guest dancer for the show. "I was from Polv High and couldn't be in the club" he noted.

During the war years no show was produced but it was started again in 1946, under the leadership of Mr. and Mrs. Muth. Since her husband's death in 1949, Mrs. Muth. has been directing the Muth has been directing the

She also writes scripts, songs, plans choreography and plays the organ during the actual pres-

"It's the girls that really make the show a success, though," said Mrs. Muth. "They're the greatest you'll ever find."

Girls from Paschal and Arlington Heights High Schools make up the club's membership. They participate in the show along with boys chosen on a tryout basis.

at Ridglea Country Club

PUBLISHED MONTHLY

NOVEMBER, 1961

Tuesday, November 7th, marks the return of a big favorite at Ridglea when Dave Howard and his Quartet open in the Cocktail Lounge to entertain nightly during the month of November.

Dave and the boys will feature their fresh, new repertoire of comedy material and the finest in vocals and dance music.

For the past five years, Dave Howard has filled consistently successful engagements with his own trio and combo - after appearing from coast to coast with such name bands as Henry King, Tony Pastor and Charlie Spivak.

Annual Deb Balls Will Be Staged At RCC In Nov.

Ridglea Country Club is proud to announce that the annual Presentation Balls of the Assembly and the Steeplechase will be held at Ridglea again this year.

On Friday, November 3rd, the Assembly Ball will be held and the Steeplechase follows on Friday, November 10th.

The Club is reserved for these events, and RCC Members and their guests who are not attending the Balls will be served in the Teen Room on each of the above dates.

Beverage service and limited food service will be available to Club Members in the Teen Room, where the Trio will be playing until midnight. Food service will be given from 6:30 p.m. until 9:00 p.m. and beverages may be ordered until midnight in the Teen Room.

Fashion Show Luncheon Scheduled Tues., Nov. 21 On Club's Ladies Day

Three big attractions are scheduled for "Ladies Day" at the Club on Tuesday, November 21st, when a delicious buffet luncheon will be served from noon until 2:00 p.m. while lovely fall fashions are modeled. Cox's Ridglea will present a beautiful collection from the new world of fashion for the special occasions of the coming social season and holiday festivities.

Special Entertainment will follow the fashion show luncheon, completing a full afternoon of entertainment, specially designed for Ridglea's ladies and their guests.

Please make your reservations as early as possible and enjoy all three delightful features of "Ladies Day" at Ridglea on Tuesday, November 21st.

Vick Artese, pianist with the group, presently has 37 of his original tunes on the market. Vick was with Ted Lewis for seven years and had his own band in Las Vegas where he worked with Frank Sina-tra, Peggy Lee, Frankie Laine, Patti Page and Sammy Davis, Jr.

Guy Sanderson, who plays sax and clarinet, worked with Jack Teagarden in Las Vegas and was formerly with Frankie Masters, Will Osborne and other name bands, working in New York, Okla-homa City, Las Vegas and Lake

Ridglea Committee Develops **New Tennis Handicap System**

lea this past weekend. A long needed tennis handicap system was time in tennis history by members of the tennis committee and Pro Ken Crawford.

Don Wallace, Chairman of the Tennis Committee, said that he and Pro Ken Crawford started research and planning on the system almost a year ago. The final test games were played by Hal Sparks, Dr. Roy Snyder, Crawford and Wallace.

In golf and bowling, the problem of competitive activity between players of widely separated skills

Tennis history was made at Ridg- | was easily solved by a handicap system, since in each game the score is based on the individual tried out and perfected for the first effort of each player in separated activity. Here the handicap is an advanced score by the lesser skilled player.

In tennis, the score is developed through a direct competitive effort against the opponent. Therefore, a workable handicap system has never been developed until now.

The new Ridglea Handicap System works on a game and point method for a standard 6 game, 2 advantage score. A player's handicap is established by one of the 24 possible combinations of the handicap table below:

Games Per Set (6)	Points Per Game		
0	Even		
1	15 LOVE		
2	30 LOVE		
3	40 LOVE		
4			
5			

For example, if a player had a 15 LOVE 2 Handicap, he would start each set with two games to his credit, and each game in the set would start in the left hand court with a count of 15 LOVE when he was serving, or LOVE 15 when his opponent was serving.

Two players with different handicaps would play based on the net difference between their handicaps.

Chairman Don Wallace says that his committee plans to publicize the new system in an effort to get other clubs and tennis organizations to adapt the Ridglea Handicap System as a standard.

Through this new handicap system, tennis players can participate in a wide variety of competition.

MUSAGETE SONG

We are the Musagetes, And this we proudly do acclaim. We are the Musagetes, Forever we'll uphold its name.

Those seven stars above,
Will guide us everywhere we may be.
There's a way you can tell when we're around,
You'll always know us by out sound.

Where we go our horns blow, that -- -- means "Hi there, Musagetes"

Thursday Dear ann, I've wanted to write you for ages but lately l'ue had no choice about the use of my time. - STUDY, STUDY, STUDY. Of course, that's not all l'ue done. On mon. night we have our pledge meeting after eating dinner at the house. On Tues, Hed, and Thurs, we have study tables. Except sometimes we have parties with a fraternity on Thurs. Tonight the Kappas and Delts are having a Hallowen party. Hope it's neat, but I'll miss Jim -He's a boy I've been dating pretty regularly.

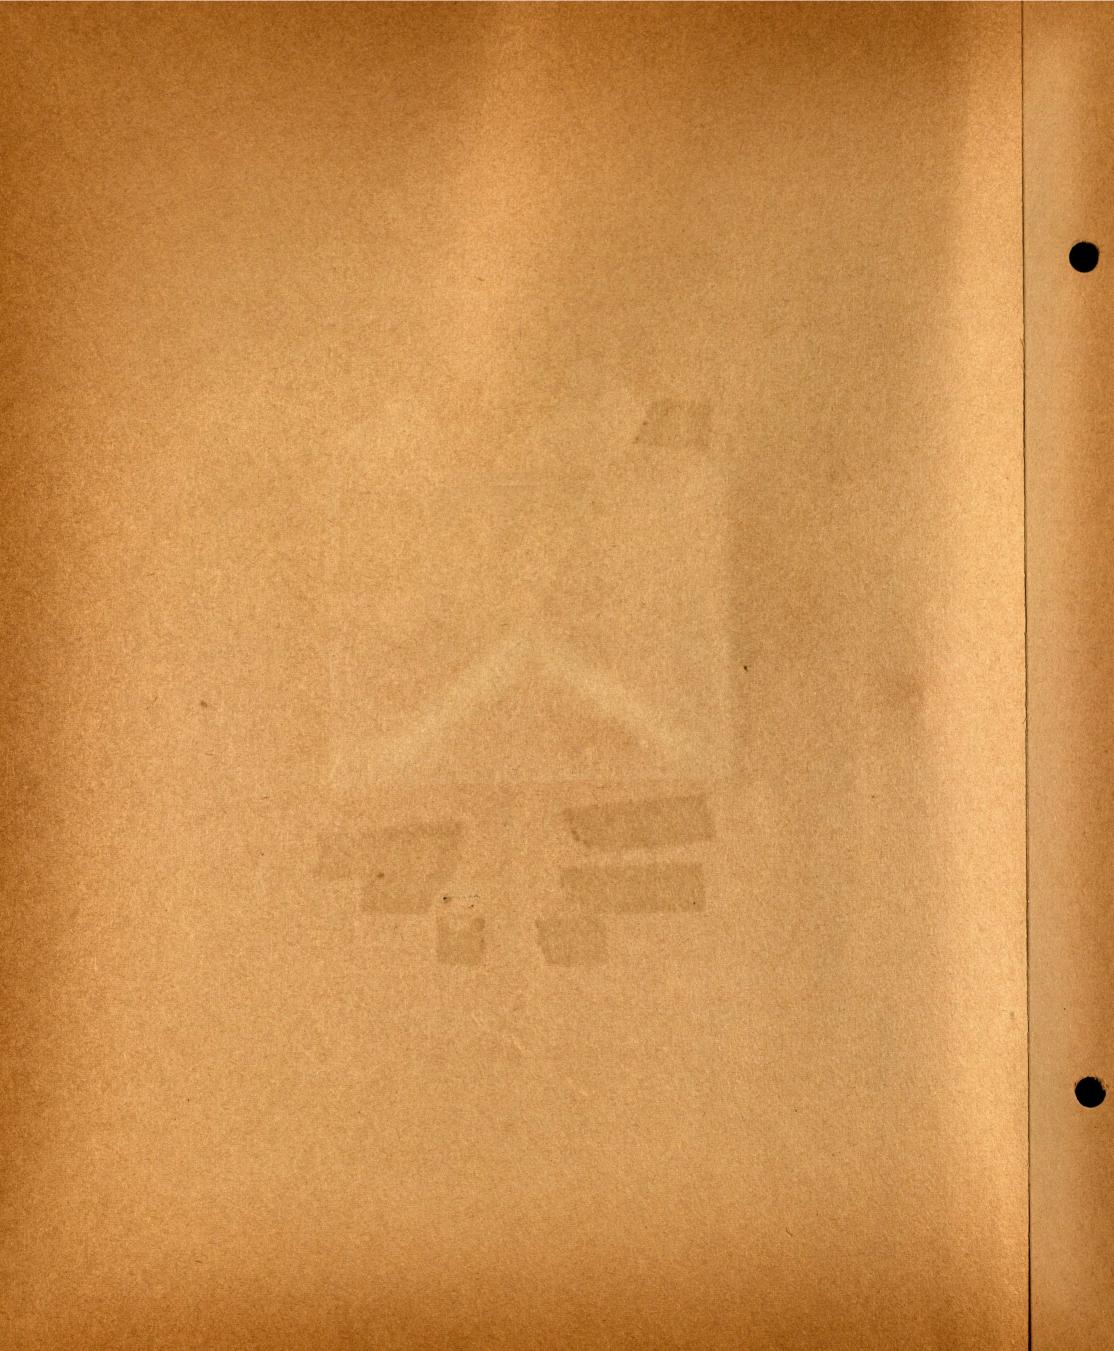

Our week night hours are 9:00 and we always have to mess around awhile and giggle and gossip. By the time we've done our homework it's pretty late but we don't care because me're having so much fun. I'm sure Karen has told you about the ratio of boys to girls in my classes. It's quite exciting. I have a date tomorrow night with one of the boys in my classes. He's really cute. But I keep looking forward to Saturday when I'll be with Jim from noon till midnight. up here now. I miss you all so much ann.

I have to go get ready for the party in a minute but there is one thing I want to be sure to tell you. and you can probably guess that it's about Musagetes. Musagetes means something to me that I can't explain. Its love has radiated out into other phases of my life and made me so happy. And more than anything I want those I love so much to have the same experience I had and I'm so thrilled we're "sisters" that I could bust. Musagetes directed my life for 3 years and it still is. For when & see Musagetes like you it

makes me try harder to be a better person each day so & Can live up to symbolizing the true Musagete spirit which you sophomores have already done so well. Ann, you've always been one of my favorites. I was so sorry about your accident because everytime & took Karen and some of you all somewhere I was wishing you could be with us. But now we can make it up sometime soon and really have a ball. D'el le kome Thanksgiving. Till then have fun. I'll be thinking about you. mitch

TODAY'S THE DAY members of the Musagettes will learn the plot of the follies they will present at Will Rogers Auditorium May, 3. Mrs. Lucille Muth, who writes the follies for the club each year, keeps the plot a secret as long as she can. So far the girls know the title is "Swing High." . . . Mrs. Muth had taught them more than one-half the dances when she got pneumonia more than a week ago. Yesterday was her first day back at reheasals. The Arlington Heights and Paschal girls in the club rehearsed on their own as much as they could until Mrs. Muth was well . . . Mrs. Muth's mother, Mrs. W. E. Gracy, who was scheduled to make costumes, is in the hospital so the group has had to find another woman for that job.

Musagette Girls Due a Rest Today

Some tired high school girls will get a little rest today after two all-day rehearsals last week.

week.

They will appear in the annual Musagette Follies at Will Rogers Auditorium Saturday.
The girls worked all day yesterday and took advantage of a school holiday Wednesday to practice their routines.

Writer, director, choreographer and set designer for the show is Mrs. Billy Muth, who's not new to the job. She and her late husband worked together on the first two follies. When he died in 1949, she produced them by herself.

20-COUNT 'EM-20 SONGS IN FOLLIES.

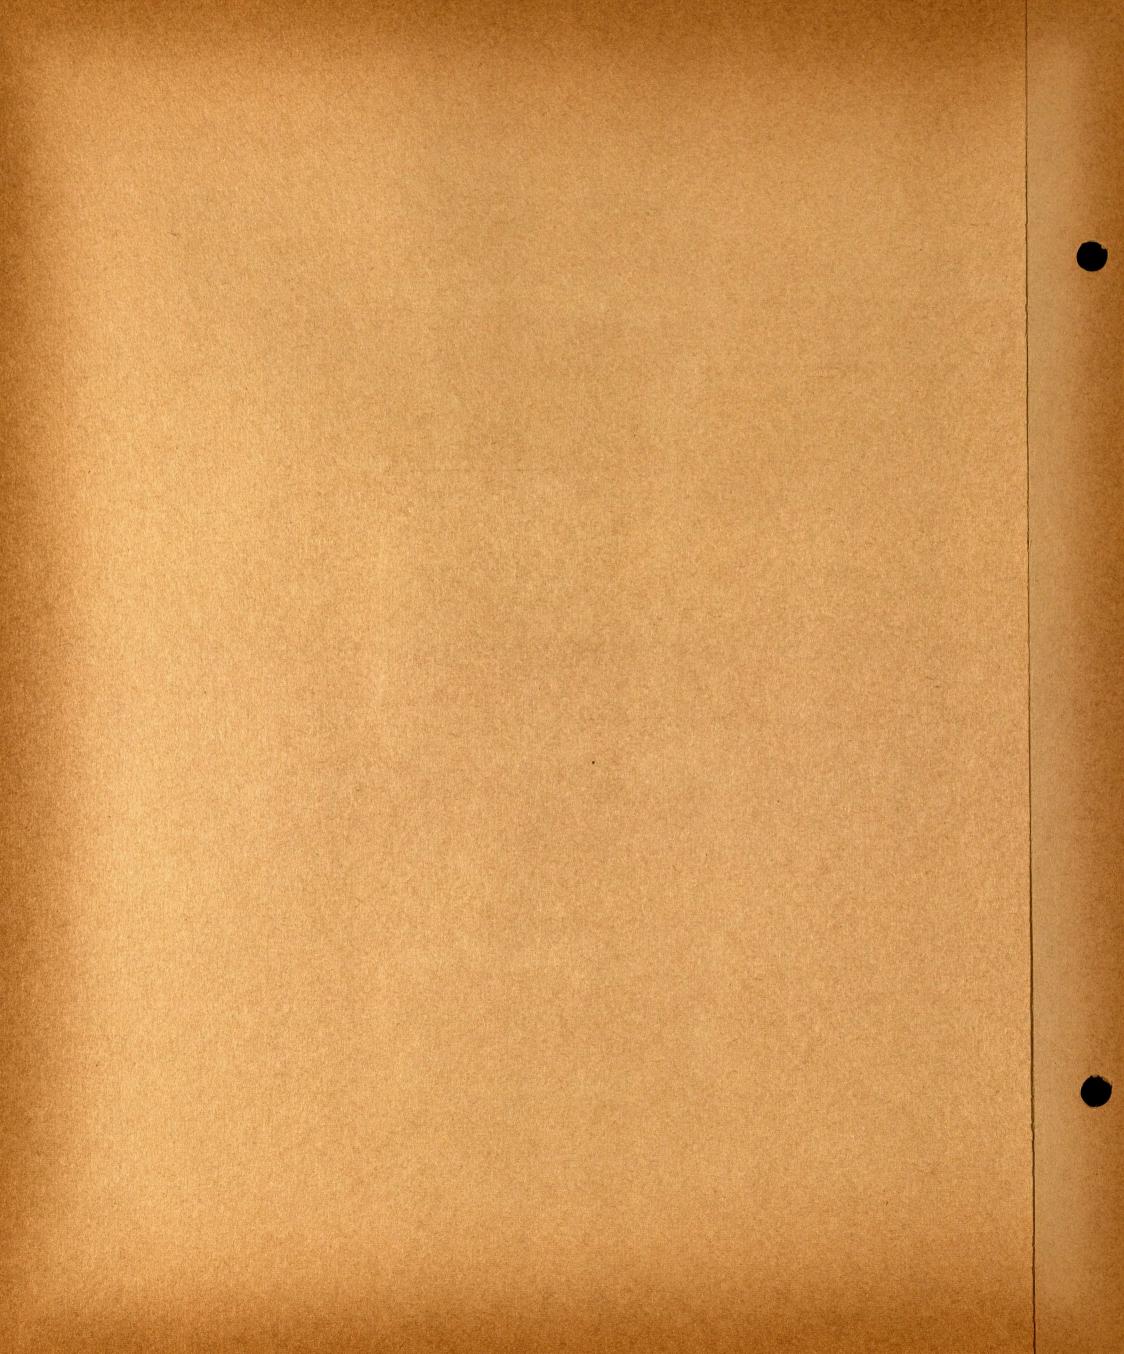

The annual Musagetes Follies, always a song-and-dance treat, unfolds in Will Rogers Memorial Auditorium Saturday night, with the proceeds again going to charity.

Nearly 100 Paschal and Arlington Heights girls will sing and dance their way through Lucille Muth's 13th annual show—this one called "Swing High."

The plot concerns a rock 'n' roll group trying to convert a bunch of musical comedy stalwarts, and vice versa. But plot has never been an important thing in the colorful show.

What counts for audience appeal is the 20 original tunes and 24 dance routines Mrs. Muth has whipped up for the show.

The stars are Eden Van Zandt, a club member, and two imported males, Graves Ench and Singer Kenneth Copeland.

Follies to Go On Despite Second Death in Family

Tragedy struck for the second time for Mrs. Lucille Muth only days before her presentation of Musagetes Follies at Will Rogers Memorial Auditorium.

Her mother, Mrs. Marie Gracy, 62, of 3015 Bright died at 9:35 a. m. Wednesday in a hospital, having suffered for about two years from cancer.

In 1949, the third year of the Musagetes Follies, Mrs. Muth's husband, Billy Muth, died a few days before the opening.

The rehearsal went on as planned Wednesday night for the annual Musagetes Follies. And come 8:15 p m. Saturday, the actual show will, too, in Will Rogers Memorial Auditorium.

Carrying on in the expected tradition is Lucille Muth, whose mother, Mrs. Marie Gracy, died Wednesday morning in a hospital.

She'll be there again Saturday night when the Arlington Heights and Paschal High girls sing and dance their way through "Swing High."

The Opening Song Of The Musagete Follies Of 1958.

The place is broadway.

The time is now.

The year is 1958.

We've got our tickets to see a show and you can bet we won't be late.

Tonight is opening night and everyone is all aglow.

Only the first nighters will be there to see the show.

We like opera and ballet.

Musical at its best.

We like nothing but rock and roll,

and you can have all the rest.

The stars of the show are arriving now.

Excitement fills the air, for it is almost curtian time.

We're lucky to be there.

No place but broadway will you find any show you want to see.

As long as it is rock and roll, a musical that's for me.

Tonight is opening night.

We hope the critics will say that our show is a great big hit.

We've been waiting for this day.

The place is broadway.

It's 8:15.

Now it's time to start the show.

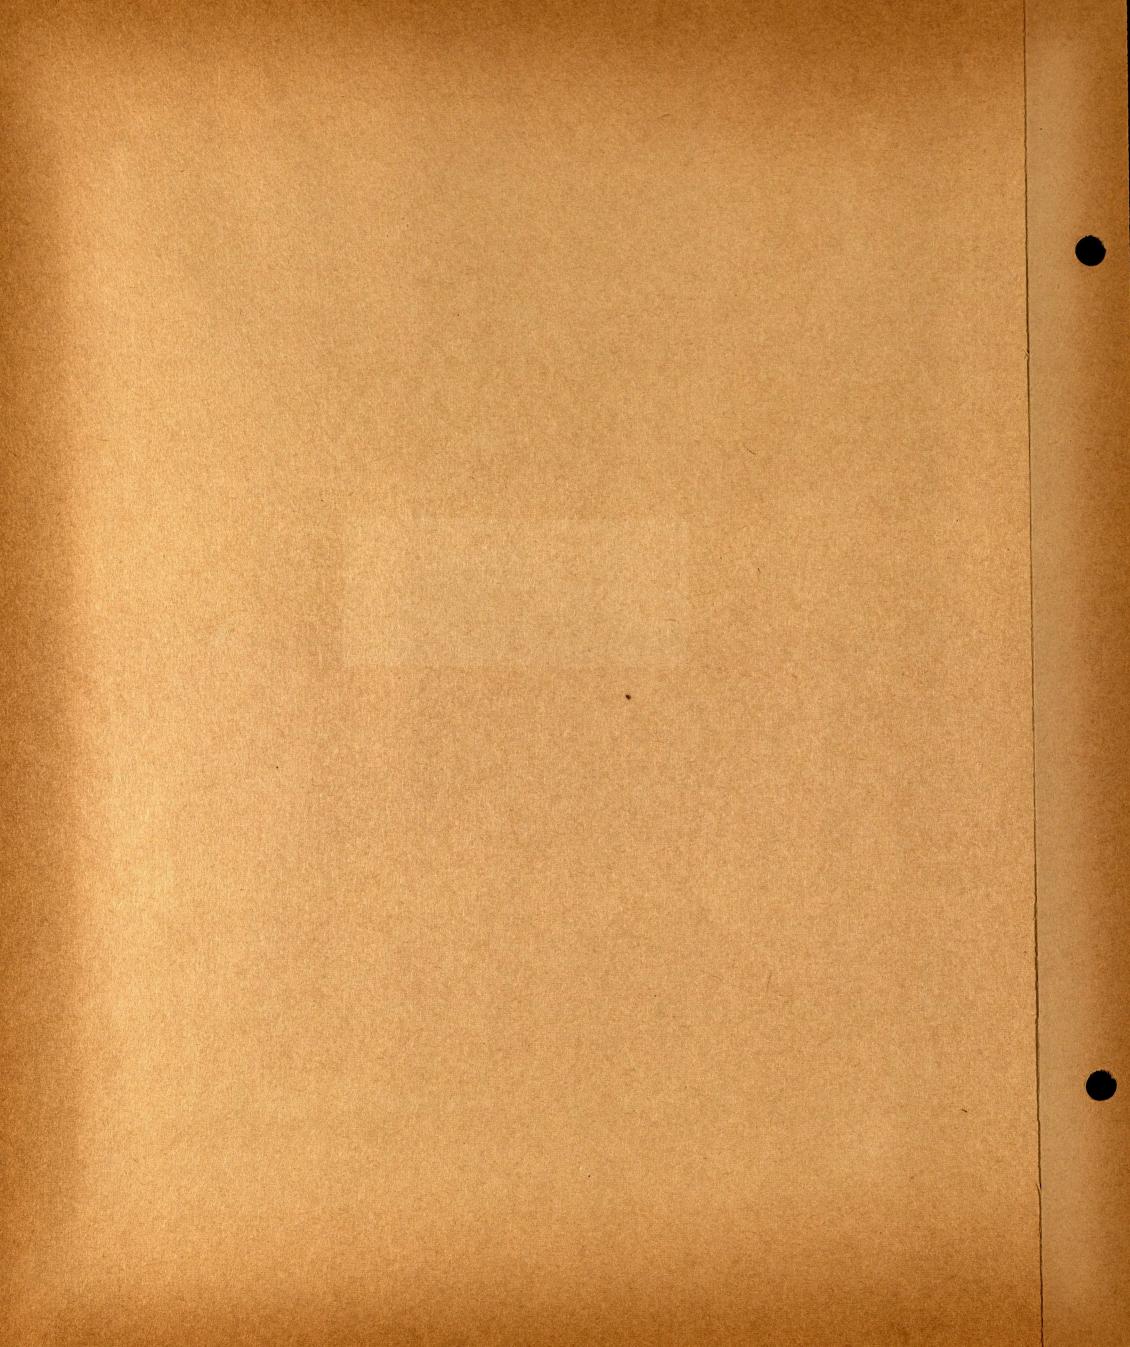

If We're a hit then we will see the sign S. R. O.

We like our music soft and sweet.

We like our music with a solid beat.

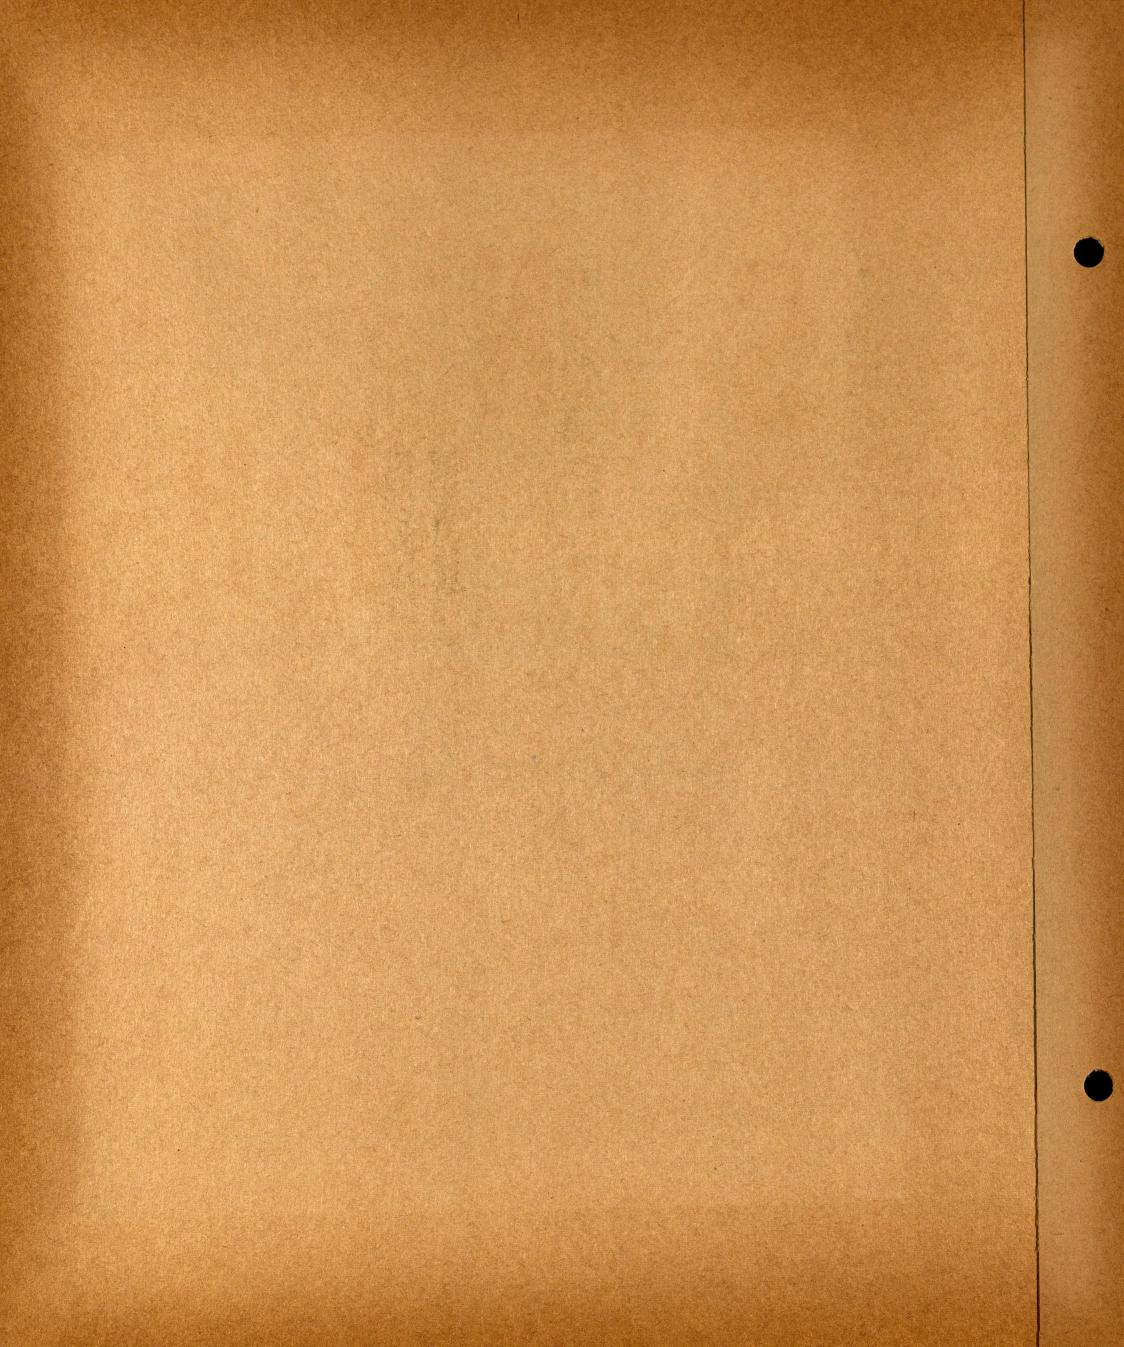

So on with the show!

I was in the opening number and was a first nighter.

LUCILLE MUTH
Writer and Director of the Musagete Follies

To Musagetes the Follies is more than just one night . . . it is a spring, an exciting season of mounting tensions and quicksilver thrills.

The endless practices are part of it . . . the sets spread out to dry . . . the mingled smells of paint and turpentine . . . the sound of hammering . . . a shower of silver glitter . . . the slow emerging of giant sunflowers and fuschia candy canes . . .

The first experimental bar of music is part of it too, rippling through the balmy air with a voice of anticipation and promise . . .

And very much a part of it are the costumes, and gleaming satin and rustly net, the plumes and pettislips and sequins that turn work into play and the future into a night of color and glamour . . .

A hundredfold "thank-you" goes out tonight to Mrs. Gracy, the wielder of this very special magic wand for more than a decade, from every Musagete. Mrs. Gracy was unable to make our costumes this year due to illness, and it is with the deepest love and appreciation that we dedicate our efforts tonight to her.

It is the steadfast faith of friends such as she which can turn the tenous glitter of "Show business" into lasting memories.

IF

Murdering high prices on quality nursery stock, including trees, shrubs, evergreens, fertilizers, peat moss, etc. is a big crime, we are as guilty as one can be. Seven days a week, every day in the year we murder high prices. We are not worried about being hanged for this crime, for we have been doing it for several years and have been thanked by thousands of good people.

Juniors and	Sophomores:	
Tonight brings that wonderful time in May.		

Tonight brings that wonderful time in May, When every Senior girl will say, "Juniors and Sophomores we leave it to you To keep our club best, whatever you do.

Wear your pins proudly, keep a smile on your face, We'll be with you always, any time, any place. Keep that Musagete spirit, let the black and gold be A pledge of our love, for all to see."

CYSTIC FIBROSIS

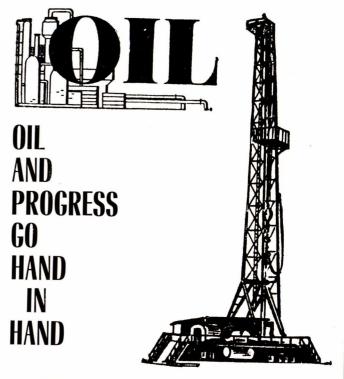

The Musagetes taking part in "Swing High" have voted to donate the proceeds of their 1958 Follies to a disease more deadly than polio or leukemia — Cystic Fibrosis. It is hereditary . . . children are its victims.

Cystic Fibrosis is caused by the abnormal functioning of the mucuous glands which secrete a large amount of thick mucus. This clogs the child's air passages and pancreatic ducts, blocking the lungs and robbing the body of vital pancreatic enzymes. Briefly, it chokes off the air supply while it is starving the body.

The statistics are alarming. In 1946 the average age of death, even with diagnosis and treatment, was two years. In 1956 the average had swung slowly up to five. Perhaps 50% of the 7,000 afflicted children in the country now have hope of reaching adolescence.

Two years ago the National Cystic Fibrosis Research Foundation was formed in Philadelphia to raise funds to encourage and support increased medical research.

Researchers today hope to find the cause of the disease, develop a control, and eventually find a cure. The most important factor in their success is public support and interest.
