Bip:

I can and do drive thousands of miles without ever turning on a radio. I am totally ignorant of musicians, bands or types of music. I like when I participate in it like dancing. I trully am in awe of your knowlege of all phases of music and the imagination you have in putting together the shows. You have added a new dimension to entertainment at the Boat Club. I had a ball at your last play. Bernie obvisouly shares your enthusiasm for show biz and between the both of you I have really enjoyed myself several times.

Good musical talent deserves a musical instrument if not in fact in symbolism.

Thanks,

  
Todd Crowell

Regatta 30 years and this  
was the best. You! You!  
Many, many compliments from so many.  
You made me look good.  
How can I ever repay, without

Dear Bip,

To accomplish anything of any importance takes dedication and cooperation on the part of many people. The Ol' Man Of The Sea regatta was no exception. I want to thank you for all the hard work you did on the entertainment, it was great. Without your help, the regatta would have suffered. The dedicated people that we have are something that is to be cherished. Keep up the good work.

Sincerely,  
Gene Ferguson  
Regatta chairman

Dear Bip,

great! All appreciated your labors

Thanks too, Bernie. With love,

Dear Bipp,

The party was such fun! Your creative touches were everywhere, and I'm convinced you could be in Hollywood if you chose to be there!

Les and I had such a good time performing for you. If anyone had ever told me I would have sung alone before an audience like that, I would not have believed them! Somehow you appeal to the "ham" in all of us, and there we are, center-stage! I think there is some comfort in knowing we are all "in it" together.

I also believe that our creativity is attached to a deeper part of ourselves, and getting in touch with that, for me, was very special--a little scary, but special. So thank you for asking me--and encouraging me--and believing I could do it.

I think every performer was there was there because you believed in each of them! Somehow, your joy seems to arise from getting others to realize their potential. In a way, that is what I do as a therapist.

So, Bipp, many thanks from two of your most ardent fans and admirers. You are one of a kind, and you touch lives in a very meaningful way. You are "Amazing Grace".

Much love from Groucho and me,

"Patricia"

P.S. Thanks, too, to Bernie. I have a huge idea that his supports is the "wind beneath your wings" —  
J.

Bip,

Thank you so much for Saturday night. I had the time of my life.

You have this awesome insight into people and how to bring the best out of them.

I doubt many of us would know that we have a "closet" personality that loves to come out and play on stage.

It would be wonderful if we'd let that side of us all to play more often.

HOW brilliant you are to gather so many people together and have everyone shine so bright and have a fun, shocking, loving and glorious evening.

Thank you Bip.

You are the best.

Love  
Diane

And Bernie is the greatest stage hand and ego booster. Please tell Bernie thanks as well. ♀

## Thanks for the Memories

After being Entertainment Chairman for the past 10 years it certainly became a big part of my life and I loved the shows, parties, regattas, fun and people more than I can say. I loved seeing both the racing and non-racing members get to know each other in the co-ed dressing room and become great friends. I so enjoyed the "Yes" people that made the shows possible. The surprises the stars provided for me during a show were shockingly great, and there were several memorable moments.

I want to thank the FWBC Board of Governors and the Club staff for the lovely tribute party given for me. The Club looked wonderful and the party was perfect.

Thanks to **Sue Bodycomb** who put together a slide show of past events that played throughout the evening. **Scott Shirley** was the DJ/MC as he was for all the past shows. **Commodore Eric Jakimier** presented me with the Entertainment Flag, which I adore. And the roses are beautiful. Thanks to **Karen & Kevin Yeoman, Tiffany O'Kelley, Debi Klyn, Laura Grunewald, David Thornton, Stephanie Embrey** and **Roseanne Rutledge** for decorating.

**Karen Yeoman** chose some of my favorite acts from past shows and arranged for surprise encore performances. The skit began with **Evelyn Babin** reprising her role as a fabulous **Wonder Woman**. I was serenaded throughout the night by **Barbra Streisand (Karen Smith), Julio Iglesias (Gutberto Mata), Kenny Rogers & Dolly Parton (Chet & Debi Klyn), Buddy Holly (Rod Duncan), Rod Stewart (Mark Hatten)** and **Beach Boy John Starr**. **Laura Grunewald** strutted her stuff one more time as **Nancy Sinatra** singing "These Boots are Made for Walkin'" and **Martha White** was "Simply the Best" as **Tina Turner**. **Mark S. Smith** channeled both **Alan Jackson & Jimmy Buffett**—you just had to be there. **Ruth Starr** brought back hysterical memories of my **Victoria's Secret Angels**. **Tiffany O'Kelley** and **Kevin Yeoman** finally performed a duet from "Grease" (I had been asking them for years!). And, **Karen Yeoman** portrayed me ... trying to find "Yes" people in the crowd!

Thank you, FWBC members, for always being so sweet to me. I will cherish my memories of these last ten years forever. And my very best wishes go to **Karen Yeoman**, our new Entertainment Chairman. I know she'll have fun having fun.

Love you all,

**Bip Nauta**

## Bip Fest 2007

What a great fun crowd we had to celebrate **Bip Nauta** and all the fun she has created for us over the years. Thanks first and foremost to all those who came out to celebrate and made the event so fun. Additionally, there are many other thanks as follows. Thanks to **Commodore Jakimier** and the **Board of Governors** for graciously providing the wonderful food, wine and music (**Scott Shirley** did an incredible job).

A slide show of ten years worth of photographs from Oldies Shows, Luaus, Turkey Trot Regattas, Sweetheart Sails and Special Olympic Regattas was put together by **Sue Bodycomb** and played during the party. The wonderful slide presentation brought back many great memories.

Since we were celebrating Bip, we had to have a skit and **Larry & Annette McCracken** were the inspiration behind this one. Thank you, thank you. Thanks to all the performers as well, **Evelyn Babin, Rod Duncan, Stephanie Embrey, Laura Grunewald, Mark Hatten, Chet & Debi Klyn, Gutberto Mata, Tiffany O'Kelley, Karen & Mark Smith, John & Ruth Starr, Martha White, and Kevin Yeoman.**

We also had lots of help decorating. Thanks **Laura Grunewald, Debi Klyn, Tiffany O'Kelley, David Thornton, Stephanie Embrey** and **Roseanne Rutledge.** The lovely sego palm in the Commodore's Room was brought in by **Gutberto Mata** from his own home. Thanks to **Nancy Day** for keeping **Bip** away from the Club the night before so we could rehearse the surprise skit.

The staff of the FWBC as always was fantastic. Thanks **Gary Haley, Gutberto Mata** and what would we do without **Casey Trimble?** Thanks to the entire FWBC staff.

Great big hugs and thanks to **Laura Grunewald**, the event co-chair, for all her hard work and of course, thanks to **Kevin.**

Keep the party going!
