

Early Notice and Public Review of
PROPOSED PROJECT WITHIN A FLOODPLAIN
CDBG-CV (Care's Act)

December 28, 2021

This is to give notice that Tarrant County under Part 58 has conducted an evaluation as required by Executive Order 11988, to determine the potential affect that its activity in the flood plain will have on the human environment. A proposal for Park improvements in the City of Everman using U.S. Department of Housing and Urban Development funds under the Community Development Block Grant program is currently being reviewed. The park infrastructure proposed is to install inclusive playground structures and ADA improvements within Clyde Pittman Park at the northwest side of the city, 301 N. Race St, Everman, TX 76140. Playground structures will be installed to the south side of the existing 2 pavilions to allow for improved social distancing welcoming all citizens of Everman. The project will be within approximately 0.40 acres, 100% in shaded Zone AE floodplain. FEMA Map no. 48439C0320L (effective 3/21/2019).

The complete proposed project application and environmental review record is located at the offices of Tarrant County Community Development. The record can be viewed between the hours of 8:00am and 5:00pm, Monday through Friday. Written comments must be received by Tarrant County Community Development, 2501 Parkview Dr, Suite 420, Fort Worth, TX 76102 or emailed to sau@tarrantcounty.com **on or before January 14, 2022**. For any questions on the proposed action please contact James A. McClinton, Tarrant County Community Development Director at 817-850-7940.
