# CITY OF SAGINAW BUDGET HIGHLIGHTS 2023-2024

The following is a brief overview of the Adopted 2023-2024 budget:

## GENERAL FUND:

- The City of Saginaw continues to see growth in the estimated net taxable value due to continued growth and an overall increase in property values. The July 2023 certified net taxable value has increased by 13% over the July 2022 certified net taxable value. These values are determined and certified by the Tarrant Appraisal District (TAD).
- The adopted budget is prepared based on a tax rate that is equal to the voter-approval rate (adjusted by the unused incremental rate) of 49.8769 cents.
- Saginaw's population has grown from 19,806 in 2010 to 24,860 per the 2020 census. The North Central Texas Council of Governments estimates the 2023 population to be 24,974.
- The July certified estimated net taxable value from TAD is \$2,968,980,820, and is an increase of \$344,163,679 over last year's July estimated net taxable value of \$2,624,817,142. Tarrant Appraisal District estimates a total of \$34,283,771 in added value from new construction (\$4,147,839 in residential and \$30,135,932 in commercial). New construction for 2022-2023 was valued at \$44,497,540.
- This adopted budget is based on a tax rate of 0.498769 which is 0.009273 cents lower than last year's rate of .508042. The adopted tax rate is equal to the Voter-approval rate adjusted by the unused incremental rate as calculated by the Texas State Comptroller's 2023 Tax Rate Calculation Worksheet. The estimated No New Revenue Tax Rate is .459254 and the De minimis tax rate is .499455.

<u>TAX YEAR</u>	<u>DEBT RATE</u>	<u>M&amp;O RATE</u>	<u>SALESTAX ADJUSTMENT</u>	<u>TOTAL</u>	<u>AVG. TAX</u>
2022	.234886	.273156	(.085385)	.508042	\$1,107.42
2023	.234810	.263959	(.084281)	<u>.498769</u>	<u>\$1,240.56</u>
DIFFERENCE OVER (UNDER) LAST YEAR				(.009273)	\$ 133.14

- The average taxable single family home value in 2022 was \$217,978. The average taxable single family home value in 2023 is estimated to be \$248,725, an increase of 14%. The average homeowner's city taxes will increase annually by \$133.14 from \$1,107.42 to \$1,240.56 or \$11.10 per month. For \$103.38 per month, the average citizen of Saginaw receives police protection, fire protection, public services, parks, recreation, library services, animal services, and code enforcement and inspection.
- The increase in the debt portion of the tax rate is due to the sale of \$16.95 million in voter approved bonds for the construction of Knowles and Parks projects.

# **CITY OF SAGINAW BUDGET HIGHLIGHTS 2023-2024**

- Sales tax revenue has fluctuated from month to month but has remained strong. The year to date collections compared to last year is up 8%. The budgeted estimates for next fiscal year assume similar collections as the current year. We estimate that we will receive \$7,458,265 in sales tax revenue in the General Fund, an 11% increase over our current year adopted budget and the same as current year estimates. The current sales tax rate is 8.25%, which is the maximum rate allowed. Of this, 6.25% goes to the State, 1.5% to the General Fund, 0.375% to the CCPD Fund, and 0.125% to the Street Maintenance Fund.
- There is an estimated 1% increase in franchise fees revenue based on current collections and the impact of the extreme weather conditions on utility bills.
- Court fines and fees continue to lag due to Police Department vacancies. Based on current year collections revenues are projected to be 14% less than current year budget.
- Recreation and Aquatic Center use, facility rentals, and summer camp revenues budgeted to remain the same as the current year. Due to the relocation of senior citizen activities to the Recreation Center, revenue producing activities are limited by space needs.
- Building permit fees are estimated to be higher than current year estimates with several developments expected to begin construction in the coming year.
- Rental inspection fee revenue is increasing due to the construction of several new rental developments. Rental inspection fees offset the cost inspecting rental units within the city to ensure safe and sanitary living conditions.
- Grant assistance revenue is expected to decrease with the loss of the Tarrant County 911 District Radio Assistance and the Public Safety Answering Point grants.
- The City will no longer receive funding for school resource officers from Eagle Mountain-Saginaw ISD. The district has hired their own officers; the Saginaw Officers have been re-assigned within the department.
- Revenue from the City of Lake Worth for a 50% share of Emergency Management expenses will be reduced based on current staffing.
- Fees paid by Tarrant County for fire protection are expected to be the same as the current year estimate, a \$10,000 increase over the current year adopted budget.
- American Rescue Plan Act (ARPA) funding is not budgeted in the General Fund for FY23/24.
- Interest earnings are projected based on increased interest rates.

# **CITY OF SAGINAW BUDGET HIGHLIGHTS 2023-2024**

- Our insurance broker and City staff are in the process of evaluating bids and negotiating with potential providers. The adopted budget includes a savings to the General Fund of \$85,114 and \$14,700 to the Enterprise Fund. As providers are determined there is a potential to see further cost reductions. The City provides coverage for employee health, dental, and basic life insurance. The City will continue to partially fund dependent coverage. As rates are finalized the structure/cost to the employee may change.
- As the labor market continues to be extremely competitive, pay plan adjustments and salary step increases are budgeted. The adopted budget includes up to a 10% market increase in the pay plan with an additional 3% STEP adjustment for public safety personnel that are not at the top of the pay range. For future years it is the intention to continue market adjustments as warranted and STEP increases for public safety personnel.

## **DRAINAGE UTILITY FUND:**

- In January 2005 the Saginaw City Council approved the necessary ordinances to establish a drainage utility within the city and adopted the utility's rates. Fees are assessed on properties based on the amount of storm water runoff they produce. Single family residences are currently assessed a uniform base fee of \$6.00 per month. Other properties, including multi-family, commercial and industrial, produce more storm water runoff at a higher rate and are charged a fee based on the number of equivalent base (residential) units adjusted for the use of the property.
- The Drainage Utility Fund pays the salaries of two maintenance workers, one-half the salary of the environmental specialist and the environmental assistant. It also funds supplies, equipment and drainage system improvements.
- Construction will continue on the final phase of the East Cement Creek drainage improvements.
- An additional \$2,000 is added to the operating budget for contract tree trimming and removal. \$5,000 is added for CDL training for new hires.
- The fund balance at year end is estimated to be \$1.3 million which will be used for future drainage improvement projects.

## **STREET MAINTENANCE FUND:**

- On May 12, 2007 the voters approved the ballot proposition imposing a one-eighth (1/8) of one percent sales and use tax for the maintenance and repair of existing municipal streets. This tax was effective in April 2008, and revenues were received beginning in June 2008. The street maintenance tax was approved by voters in 2023 for an additional 4 years.
- We anticipate revenues of \$633,815 for fiscal year 2023-2024.
- These revenues will be used for general street repairs that are identified as part of the pavement management program.
- Increases are included for sidewalk replacement due to the increased cost of materials.
- \$900,000 funding is provided for street repairs to be identified by the pavement management system.
- The fund balance at year end is estimated to be \$82,858 which will be used for future street maintenance projects.

Parks donations fund the ongoing cost of the outdoor early weather warning system. It is anticipated that the Train and Grain Festival will be held in 2024 and will be funded through donations.
- Library donations will fund seasonal student apprentices. The seasonal positions will enable the library to meet the higher demands of the summer season.
