 - a. Identify gaps and need
 - b. Define equity indicators
 - c. Prioritize recommendations
5. Open forum
6. Adjourn

Discussion Questions

1. In your opinion, are there any policies or procedures in your organization that may appear race-neutral but, in reality, exclude or impact specific racial groups?
2. Which equity indicators are most important to you? To the communities you serve?
3. Are there any additional equity indicators that the Housing Committee should include in its work?
4. Which equity indicator measurements stand out to you and why?
